## **Mobile Solutions Announces Partnership with Canadian Distributor Importel**

*New agreement expands availability of fabrication tools and accessories for professional fabricators*

**TEMPE, ARIZ., January 6, 2023 (MEDIAWIRE)**— Mobile Solutions announced it has secured an agreement with Importel LTD to represent and distribute its products throughout Canada. Importel will carry and ship the complete line of Mobile Solutions products including templates, production tooling and accessories. Mobile Solutions previously was represented by a distributor in Western Canada and following that distributor’s acquisition by Importel, the agreement gives Mobile Solutions a stronger footprint in eastern Canada as well.

“The retailers and fabrication professionals of Canada have always been great supporters of Mobile Solutions and are a large part of our success,” said Bryan Schmitt, founder and CEO of Mobile Solutions. “By partnering with Importel, with locations in Alberta and Ontario, we are able to supply them with top-quality products, delivered quickly and efficiently.”

“Importel Ltd. Is very excited to be the exclusive distributor for Mobile Solutions products in Canada,” said Geoff Theoret, operations manager at Importel West. “We are proud to add Bryan Schmitt’s industry leading products from the Mobile Solutions brand to our vast offerings of premium products found at importel.com. We look forward to helping promote the MasterTech Expo industry training event in Mesa, Ariz., March 5<sup>th</sup>– 8<sup>th</sup>, to our Canadian dealer partners.”

Retailers in Canada can purchase Mobile Solutions products by placing an order at importel.com. For more information on Mobile Solutions, please visit mobile-solutions-usa.com. To attend the MasterTech Expo, sign up at mastertechexpo.com.
