## **Mobile Solutions Celebrates Summit Success, Announces MasterTech Expo Giveaways**

*Viewers of School of Fab Series eligible to win free passes to company's largest training event*

**TEMPE, ARIZ., October 21, 2021 (MEDIAWIRE)** – Mobile Solutions®, provider of professional training and tooling to the automotive aftermarket, celebrated a new milestone during the 2021 Mobile Electronics Specialists of America (M.E.S.A.) Virtual Summit. Mobile Solutions conducted a live presentation of its products to M.E.S.A. members and garnered more than 900 live viewers during the segment.

“We are very proud of our relationship with M.E.S.A.,” said Bryan Schmitt, president and lead instructor at Mobile Solutions. “The organization and its members have been strong supporters of our company, even before we joined as a supplier partner. This latest achievement shows that our products and services are valued by some of the top mobile electronics retailers in the country.”

To finish the presentation, Mobile Solutions provide M.E.S.A. with two attendee passes to its upcoming MasterTech Expo show and training event, scheduled March 6-9 at the Mesa Convention Center in Mesa, Ariz. The giveaway was the first of three planned giveaways scheduled through the end of the year. The remaining two will take place during the company's School of Fab shows on Facebook, held the first Thursday of each month.

MasterTech Expo will be Mobile Solutions' first large-scale training session, featuring a manufacturer exhibit floor and concurrent trainings scheduled throughout the three-day event. Recently announced additions include the MasterTech Build-Off sponsored by Rockford Fosgate® and an exclusive live drawing session with Dave Kindig, renowned vehicle transformation designer and star of Motortrend TV's Bitchin' Rides.

Free passes entitle the holder to tuition-free admission, exhibit floor and special event access, complimentary scheduled meals as well as participation in two selected education tracks. Transportation and hotel accommodations are not included. Industry professionals may qualify for the giveaway by watching School of Fab live on Facebook, on November 4 or December 2, 2021.
